

**Town of Hanover
Community Preservation Plan
Application for Funding**

Submission Requirements

Proposals for Community Preservation funding must be submitted using the attached application form. All information requested on the application form must be included with the proposal.

Applications must be typewritten and **twelve (12) copies** (including one unbound and reproducible copy) of the application and all supporting documentation must be submitted to the Community Preservation Committee, c/o Community Preservation Coordinator, Hanover Town Hall, 550 Hanover Street, Hanover, MA 02339.

The application deadline is October 2nd at 4pm.

Applications will be accepted only until this time, unless an applicant can demonstrate that a significant opportunity would be lost if not considered outside the normal funding schedule.

Review by the Community Preservation Committee

Each application will be acknowledged as it is received. It will be reviewed for completeness and the applicant will be notified if additional information is required. Incomplete applications may not be eligible for the current funding round, at the discretion of the Committee.

All applicants submitting complete applications will be given an opportunity at a public hearing to present the scope and details of the project and respond to questions from the CPC, and the public (additional public hearings may be warranted, depending on the amount of applications received). To expedite the proposal review process CPC strongly recommends that all proposals be reviewed prior to submission by the appropriate Committee, Commission or Board including the Affordable Housing Trust, the Planning Board, the Historic Commission, the Open Space Committee, the Conservation Commission or the Park and Recreation Committee.

Funding Decisions and Process

The CPC will prepare and submit Town Warrant Articles for funding recommendations to the Town Meeting in May for a final decision.

Projects approved for funding will be appropriated to a designated Town department head. For example, funds for the improvements of park lands will be appropriated to the Parks and Recreation Committee, funds for the improvement of school lands will be appropriated to the Public Schools Department, and funds for housing projects will be appropriated to the Affordable Housing Trust.

Projects on Town-owned land will be administered by the Town department that is responsible for that land and are likely to require public bidding under applicable statutes (MGL c. 30, 30B, and 149).

Projects on private land will require a funding agreement between the Town and the applicant. All projects will require a Memorandum of Understanding between the Town and the applicant before funds can be released. In addition, the CPC will require that all projects submit a project timeline and quarterly status reports to the CPC until project completion.

Please keep in mind there are legal limitations on what CPA funds can be used for. A CPA Allowable Uses Chart can be found on page 2 of this application.
